

OUR STRENGTH RUNS DEEP

Your single-source resource
to tackle the toughest environmental
infrastructure challenges

**SPECIALIZED
MAINTENANCE SERVICES**

A Carylon Company

PROVEN TRACK RECORD

Specialized Maintenance Services, Inc., a Carylton company, specializes in the inspection and planned maintenance of your environmental infrastructure, giving you the knowledge and data you need to prevent sewer backups and breaks. We have a long track record of success providing the expertise, equipment, technology and training to quickly, safely and reliably take on any infrastructure challenge.

Extensive training, experienced supervision

With Specialized Maintenance Services, you know who will be working on every project: the best of the best. Our extensive training program and experienced field supervision ensure that every job gets done right the first time – and every time. Because when you're facing tough, gritty, real-world applications, you want a partner you can count on to deliver quality results.

Guaranteed to get the job done right

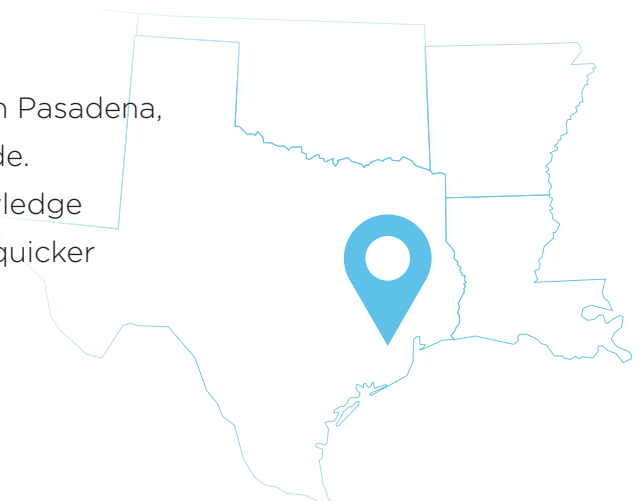

As part of the Carylton family, Specialized Maintenance Services has the resources and expertise to offer the best possible service available anywhere and back every project with a guarantee that is unmatched in the industry:

"You must be completely satisfied or you pay absolutely nothing for our services."

Local presence, national footprint

Specialized Maintenance Services is headquartered in Pasadena, Texas, with the ability to complete projects nationwide. Our local market presence also lets us leverage knowledge of relevant environmental issues so we can respond quicker to an infrastructure threat or emergency.

BROAD RANGE OF SERVICES

It doesn't matter if your project calls for the use of one piece of equipment or multi-disciplinary crews and a fleet of specialized equipment. Specialized Maintenance Services is uniquely positioned to work side-by-side with municipalities, utilities and industrial companies to deliver proven, scalable solutions.
